Health Guarantee

Our puppies will all be taken to our personal veterinarian at 6 weeks old to be vet checked with a clean bill of health, up to date on immunizations, and will be on worming schedule every 2 weeks until sold. There is no way to know how your new puppy will adapt to a new home. It is the responsibility of the New Owner to carefully and slowly transition the canine to any change in diet and to provide the most stress free transition into his/her new home.

The new owner of the puppy will be required to take the canine to your personal certified veterinarian within 72 hrs. of adopting the puppy with proof of this visit and make sure he/she is health checked. A 1 year health guarantee will be granted to the new owner. If the veterinarian determines (within the 1 yr.) that your canine is clinically ill or has died from an injury sustained of illness likely to have been contracted in or before the date of sale and delivery you can return the puppy for a complete refund (excludes shipping/traveling cost).

You must notify Back Woods Bernedoodles of the examining veterinarian's name, address, and phone number within 2 days of the veterinarian's certification of your dog's illness. Failure to notify the seller within the 2 business days will result in forfeiture of rights.

In order to hold a puppy a non-refundable fee of \$300 will be required.

Back Woods Bernedoodles assumes no responsibility of the adopted puppy once he/she leaves the sellers premises or the agreed meeting location, for any medical expenses, disease, mortality unrelated to breeding practices, landlord or spouse disapproval, shedding, personality or training. Buyer understands the size of the puppy at maturity cannot be guaranteed. Buyer also understands that the sellers' prediction of adult weight, coat color, coat type, and height are estimates only. No refunds will be given unless Health related. However, should the Buyer wish to return the puppy for any reason, he/she may do so, with the understanding that no refund will be given.

We thank you for choosing Back Woods Bernedoodles. This Health Guarantee is put in place to ensure the buyer that they are receiving a healthy canine, and to ensure the seller that the canine is being adopted in a suitable home that will love and take excellent care of the puppy.
